LB 1059  
LR 208

that to be so?

SENATOR WESELY: I'm...the Governor has not indicated one way or the other definitively on that.

SENATOR ROBINSON: (Laughs) Well, you mean on this specific item.

SENATOR WESELY: Yeah, on this bill, yes.

SENATOR ROBINSON: Okay. But did he have it in his budget?

SENATOR WESELY: No, because it's delayed for two years, Senator Robinson. It's not in the budget.

SENATOR ROBINSON: Okay.

SENATOR WILL: Time.

SENATOR ROBINSON: Thank you.

SENATOR WILL: Senator Crosby.

SENATOR CROSBY: Thank you, Mr. President and members. Senator Wesely, this 1059 is the one bill that I really think has gone a little too far for what we're trying to do here in this package. I'm looking at LR 208 that you handed out, page 4, after the 10 options, \$20 million is what the state would have to replace in...

SENATOR WILL: Senator Wesely, would you respond?

SENATOR WESELY: Oh,...

SENATOR CROSBY: Page 4.

SENATOR WESELY: Right, that's the amount that is currently spent by the counties on these services.

SENATOR CROSBY: And...but you're thinking the state would replace that?

SENATOR WESELY: Right.
